

In the Application of:
Jesse H. GAYTAN
Serial No. 09/801,871

IN THE SPECIFICATION:

Please replace paragraph 0033 with the following:

[0033] The acephate is preferably milled before granulation. Details of the milling process are described in my copending application, serial number 60/279,433 (attorney docket no. 41322).
